

## Care Packages

Collect items for our standard care package by hosting a care package drive at your workplace, school, organization or place of worship! You don't need to know a member of the military to collect items for us to ship. The troops love receiving instant coffee, personal hygiene items, prepaid phone cards, stationery, jerky, and more. Check here for our comprehensive list when you're gathering items to send us.

Items in bold are ones that we send to troops in our care packages. Other items are frequently requested by the troops and may be sent by individuals in their packages.
